

FREE TAG

Full Support Seamless Communication

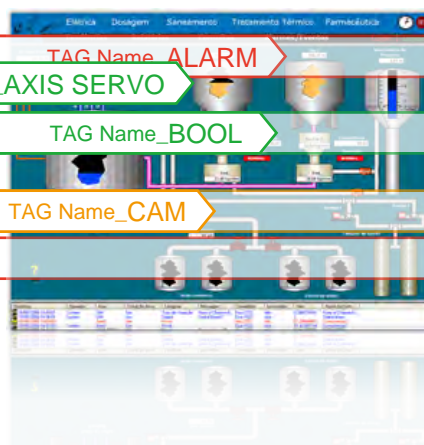

Weintek Software R & D Group brings you the revolutionary feature - **Free TAG**

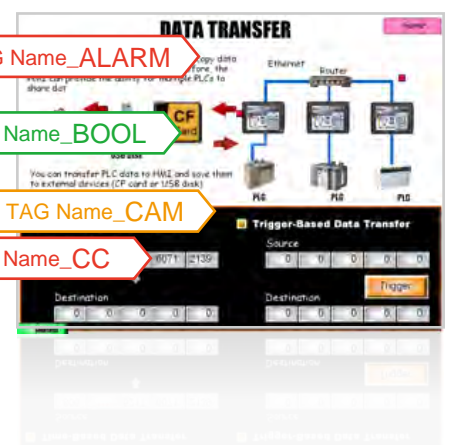

1. Full support for AB TAG structure, easy to convert, easy to edit – Easy TAG. With TAG, object names are more readable, reusable, and all self-definable.
2. Weintek presents AB Data Type Editor, simply copy& paste data members from RSLogix 5000.

Project A

Project B

Weintek leads in supporting Allen-Bradley Ethernet/IP (ControlLogix) - Free Tag Names.
